REASONS FOR ALLOWANCE

Allowable Subject Matter

1. Claims 1-12 are allowed.
2. The following is an examiner's statement of reasons for allowance: Regarding **claim 1**, the prior art does not teach or suggest cutting said blank along a cutting line that continuously extends between the inner and outer wall faces around said axis and that is centered at the axis of the first hole to divide said blank into an inner ring and an outer ring which are separable from each other; and boring the inner and outer rings while the inner and outer rings are brought together to form a plurality of cavities at intervals in confronting surfaces of the inner and outer rings, the confronting surfaces extending along the cutting line, the cavities extending axially in the confronting surfaces, the cavities in the inner ring complementing respectively the cavities in the outer ring to form pin holes, in combination with the other claimed limitations.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
